There's never been a more important time to be a member of the ALP.

With Labor set to go to the polls on July 2, we need all of the support that we can get, so please renew your membership today.

Any donation that you can afford will be put to good use to return our sitting MPs, while we try to win back Hindmarsh, and keep up the fight to win in our other seats.

This time we also have a fight on our hands in the Senate, and the Senate team, led by Penny Wong, will benefit from any contribution that you can make.

Donations up to \$1,500 are tax deductible, so please consider a donation to the ALP at this very important time.
